Attracting the best riders

IT IS true that the Bega Showjumping Cup attracts Australia's best showjumping riders and horses to Bega each year to contest the many competitions and try their luck at taking home a percentage of the generous prize package on offer.

In fact, last year's winner of the Bega Caltex Showjumping Cup is none other than the current Australian champion, Chris Chugg of Sydney.

Chugg will be back in Bega again this year hoping to win the Cup and a bit of prize money to help fund his trip to Europe to contest the World Cup Final in April 2010.

Yes, there will be many champions of the Australian showjumping circuit at the Bega Showjumping Cup, but did you realise that not all of them are from out of town?

The Bega Showjumping Club boasts some of the best showjumping talent in Australia.

In fact this year the club has a Sydney Royal Showjumping Champion, a National Pony Club Junior Showjumping Champion, a NSW State Amateur Showjumping Champion and an FEI World Jumping Challenge Champion.

And those are just from this year.

Bega Showjumping Club members such as Craig Matthews, Todd Hinde, Hayley Jessop, Jamie Grant, Brett and Lane Clarke, Clint Beresford, Jamie Smith, Sandra Kenny, Jeffrey and Tom Otton, Deon, Nathan, Alisa and Adena Williams, Jed Smith and Troy Johnson are all proven champions at the big competitions and will be on show at Bega.

These riders and more have been training all year at Bega Jump Club training days and are looking to use the home-ground advantage.

It can be guaranteed that visitors to the Bega Showjumping Cup will witness many of these riders displaying super showjumping rounds and featuring in the winning line-ups at the end of each event.

Bega Showjumping Club member Jamie Smith excelled during the 2009 Cup.

The events cater for all levels of horse and rider.

Feature events are the Caltex Bega Showjumping Cup, which will feature horses and riders vying for a spot on the Australian Team to compete at the World Championships in 2010.

The other feature event on the program is the Futurity, which quite often gives an insight to the "future" of Australian showjumping horses.

This is usually a very hotly contested event with the cream of Australia's best young horses rising to the top.

If you would prefer to see an insight to the future of Australian showjumping riders, check out the junior events where the talent of these children working in unison with their trusty steeds will never cease to amaze you.

Entry is free to the Bega Showjumping Cup and will be

by far the best and cheapest entertainment you will find this New Year holiday break.

If you do decide to join the

spectators, don't forget to give a special cheer to the Bega Showjumping Club members; they are champions!
